(n/l) not listed Companies ranked by annual revenues. Companies with slightly higher revenues before figures were rounded appear first; those with equal revenues are listed alphabetically. ABiz assumes information provided by companies is accurate. In several instances, revenues for auto dealers include more than one dealership. \*Approximate revenues and employment for companies that decline to release sales figures and other information are based on a variety of sources, including Dun & Bradstreet and industry trends and estimates for their type of business. (1) Dynamic was No. 1 on last year's list as Moreno Group.
